

Help Protect Fort Ord National Monument Sweep Out Invasive French Broom

Sundays: June 25, July 23, Aug. 27, Sept. 24
9:00am - 12:00pm - Lunch is provided.

French Broom (*Genista monspessulana*) is a nasty, tenacious, invasive plant. Both the plant and seeds are toxic to animals and other plant life, even native plants.

Pre-registration Required:

Monterey County requires all participants to pass online Munitions Training at: <http://fortordsafety.com>. Submit a copy of your completion certificate to: sustainableeastgarrison@gmail.com at least 4 days prior to your first event.

Location to be announced.

**Help us to protect and beautify East Garrison, adjacent lands,
and Fort Ord National Monument.**

Bruce Delgado, City of Marina Mayor and BLM Botanist, will guide our efforts. Bring your awesome self, water, garden gloves, a hat, and sunscreen. Lunch will be provided.

This will be an exciting and educational experience!
